Online	2022/03/22 10:52:49 PM AST	Julianna	Guido	2 Mellen St	Duplicate	jmguido009@gmail.com	3/22/2022	How many of the Planning board members live in the neighborhood of 75 Plain St, or behind it in abutting neighborhoods? Just curious. Bad idea all around. Dirty industry, increased traffic, pollution, crime, demand on water and sewerage. Not to mention the noise, light pollution wear and tear on roads. Should be looking at clean industry that positively contributes to the town and not one that only sucks up available resources and then demands more.

Online	2022/02/27 7:35:35 PM AST	Sandra	Baldi	56 Neck Hill Rd	Hopedale	s.baldi1012@gmail.com	2/27/2022	We do not need a warehouse of this size, open 24/7, adding 370 tractor trailers and close to an additional 1,000 vehicles on our streets. I for one do not want an Amazon warehouse in my backyard, adding noise pollution with the constant rumble of semitrailers in the area, or the thousands of delivery trucks constantly going up and down our streets. Its already too dangerous for children in our area to walk, run or bike, or pet owners taking pets out. There are too many other options in larger industrial areas for Amazon to build its mega warehouse. And don't buy into the lie that the warehouse will bring more jobs into the area. Amazon warehouse openings eliminate hundreds of thousands more retail jobs then it creates. Please don't allow Amazon to take over our small town. Stop the madness. This is not the right fit for our small town. Pp move here for the small town feeling and your trying to take that away.

The large trucks that already drive through that area often get stuck in tight turns not meant to handle an 18-wheeler. They run over private property and ignore "No Trucks" signs and those that warn of low 10 foot railroad bridges, causing impossible backups and damage to private property.

Online	2022/02/09 9:19:19 AM EST	Amanda	Mitchell	381 S Main St	Hopedale	editorgreen@hotmail.com	2/9/2022	Normally I wouldn't sign a petition preventing someone from doing what they want on their own land;...and I know we need the tax dollars, but I live on South Main St in Hopedale and the Amazon warehouse on National St in Milford is forcing my hand here. It is upsetting that the Amazon warehouse is in another town and can impact us so much. The trucks wake us at night and it's no longer safe to get the mail or dig out a fire hydrant. The bus driver picking up my daughter, the mailman bringing our mail, motorcycles, all risking their lives at this point. It's tricky sliding a tractor trailer around a mail truck when there is another tractor trailer coming on the other side. It doesn't work. Police presence on 140 has slowed to a bare minimum as compared to the past. I wouldn't want to pull someone over on our road anymore either. There just isn't room for more of this. Amazon is a 24/7 operation and I see and feel the effects FIRST HAND. It has ruined my quality of life. I am one who could always appreciate the hustle of our busy road, the local trucking companies, their triaxes and dump trucks, back and forth all day long. The difference is that those trucks are local companies who know the road, drive with respect, and call it quits by 4pm each day. The proposed is much much different. I thought long and hard before signing this petition to prevent the warehouse at Rosenfeld, and unfortunately I don't have alternative ideas for what could go on the property. I only know this can't be undone once it goes through, and it will negatively impact many people.
Online	2022/02/09 5:37:58 PM EST	Randal A	Ranaudo	8 Mill River Drive, Mendon MA	Mendon	randyranaudo@yahoo.com	2/9/2022	Personally I'd prefer to pay the higher taxes and wouldn't even complain about it. Decisions made in Hopedale affect the surrounding towns as well.
Online	2022/02/08 8:29:14 PM EST	Tammy	Hyland	124 Plain street	Hopedale	tbelanger210@yahoo.com	2/8/2022	This project, already rejected by Holliston, would seriously diminish the quality of life in our neighborhood
Online	2022/02/08 5:34:35 PM EST	Darci	Mayzer	56 Box Pond Rd	Duplicate	darci723@hotmail.com	2/8/2022	While not a Hopedale resident the traffic and noise will directly effect us as we are off of Depot Street in Bellingham where we are already dealing with enough as it is with the existing warehouses and now another proposed new one on 152 Depot. This project does not only effect Hopedale, but to the surrounding towns so our input deserves to be heard as well.

								With the trucks for Amazon and Braun already provided a serious traffic issue along E.Hartford Ave and Rte 140 I foresee the same issues occurring at E.Hartford Ave and Plain St. These roadways aren't adequately designed for continuous traffic as evidenced by the quick deterioration of the road deck every year. To add to this the intersections appear ill designed to accommodate the swing needed to accommodate the current Amazon and Braun 45 and 50ft+ trailers that daily try to negotiate the turn without running over the curbing or waiting for vehicles in the Rte 140S left turn lane or when the same trucks attempt to make the left turn from Rte 140S on to E.Hartford Ave east. I look forward to seeing the traffic studies correctly and adequately reviewed this singular issue. Also, traffic on Plain St in the my 18 years of residence has become increasing in numbers and speed. The added stop sign on Plain St northbound at the Mill St intersection has now caused vehicles to increase their speed once leaving this intersection to make up for time lost at the stop. Though the truck traffic from 75 Plain St is supposed to use Plain St to/from E.Hartford Ave There are already a number of heavy trucks using the section of Plain St southbound from Rte 140S as a cut through. Further mitigation is needed such as signage banning trucks of certain weight capacities to further mitigate the potential issue of trucks being misguided by the GPS systems to use this stretch of road. These are just some of the potential issues I see that need to be brought to your collective attention. There are others that have already been mentioned in the text of the petition that I share and as such have attached my name to it as well as one of the properties located very close to this proposal but because I'm not a direct abutter never received direct notification. I would think a proposal such as this would have a large enough impact that it should have been brought to all town hall residents thru a warrant of notification in a direct mailing to all households. Clearly most of the people involved in the vetting process don't reside near

Online	2022/01/28 11:10:00 AM EST	Kristin	Schmitt	8 Pine Needle Dr Mendon	Mendon	stemage.kj@gmail.com	1/28/2022	Though not a Hopedale resident, this proposed warehouse would have implications beyond Hopedale lines. The current infrastructure of our small towns cannot handle these trucks or the additional traffic. Safety and quality of life for residents and existing businesses needs to be considered. The 18 wheelers attempting to maneuver the Hartford Ave lights already struggle and cause major traffic problems and dangerous situations. This will only get worse.
Online	2022/01/28 10:50:15 AM EST	Zack	Currie	5 cross street	Hopedale	zackwcurrie0305@gmail.com	1/28/2022	
								Please do not allow this huge warehouse in Hopedale. There are so many reasons to keep them out of this area. Route 140 and Hartford Ave is already super congested and adding so many more huge trucks will be a nightmare. Every day we see them stuck as they are trying to turn. Environmental issues are there too. Noise pollution is another issue. Our property value will go down. We choose to live in this small town because it's a small town and we love that feel.... We don't want it congested like so many other towns. This area is already burdened with traffic as it's a cut through for many people heading to RI. Add that to the industrial parks already in the area and it's tough on all of us. There are many other places less populated to put these huge warehouses in than our little town. Please think of the lives that will be disrupted.
Online	2022/01/28 10:25:50 AM EST	Julie	Guido	2 Mellen St	Duplicate	jguido6@verizon.net	1/28/2022	Growth and commercial business are certainly needed in this town but we can find something that will fit the town rather than a huge warehouse causes additional traffic.

Online	2022/01/27 9:20:26 PM EST	Arthur	Posch	6 Talbott Farm Dr	Duplicate	ajposch25@gmail.com	1/27/2022	A revamped intersection will not solve the existing infrastructure issue. Hopedale/Mendon can not support tractor trailers 24/7. People opt to live in these towns for a multitude of reasons. Low taxes is not one of them. This project has no place in these quaint towns.
Online	2022/01/27 9:19:17 PM EST	Beth	fox	1 mill street	Duplicate	bethfox80@yahoo.com	1/27/2022	
Online	2022/01/27 9:13:20 PM EST	Arthur	Posch	6 Talbott Farm Dr	Mendon	ajposch25@gmail.com	1/27/2022	Revamping an intersection won't support this initiative. The infrastructure of Hopedale/Mendon isn't built to support tractor trailers 24/7. People opt to live in these towns for numerous reasons. Low taxes is not one of them. This project has no place in the quaint town of Hopedale.
Online	2022/01/27 9:09:11 PM EST	Sherri	Feest	204 Millville Rd, Mendon MA 01756	Mendon	sherrifeest@hotmail.com	1/27/2022	Keep looking for a better solution to bringing more business into town. Don't ruin Hopedale and/or surrounding towns by choosing A solution. Choose a GOOD solution. This isn't that.
Online	2022/01/27 8:16:38 PM EST	Alaina	Ryan	93 Dutcher Street Hopedale, MA 01747	Hopedale	alainakryan6@gmail.com	1/27/2022	
Online	2022/01/27 7:51:13 PM EST	Gerald P	Gallo	69 Mill Street, Hopedale, MA	Hopedale	j.gallo_cpa@comcast.net	1/27/2022	I believe this project will forever change the small-town character of our community in a negative way. Traffic, crime, pollution & noise will all increase dramatically. It's a bad idea.
Online	2022/01/27 6:56:18 PM EST	Adriane	Reed	10 Forest Path Hopedale	Hopedale	adriane100@gmail.com	1/27/2022	Keep our beautiful small town just that! The traffic generated from the proposal be a nightmare!
Online	2022/01/27 5:45:54 PM EST	Sharon	Duest	317 South Main Street Hopedale Ma 01747	Hopedale	sharon_duest@yahoo.com	1/27/2022	Very concerned with all of the above especially the traffic. Rt 140 is already a route heavily trafficked with 18 wheelers, adding another warehouse would only increase traffic to this and many other roads around. Even if the trucks are not using Rt 140 directly, other traffic will inadvertently be brought to this and other streets to avoid the warehouse traffic.

						IF THIS PROJECT IS APPROVED in South Hopedale make sure the owner is required to install sewerage for the homes in this area who have septic systems, just like it's done with other projects on the OTHER side of town. This project should not be approved. The State should be involved some how some way. This project is much to large for one town to handle, people traveling on Hartford Ave, from Rt. 495 thru Bellingham, to Mendon and finally Hopedale will take forever to go the 4 miles west, don't forget Braun's Express is building a huge terminal on South Main Street, Amazon has its BOS4 giant warehouse in the old Foster glass plant, and another Amazon warehouse is planned for the area behind Gasco automotive service on Rt. 140 just over the Hopedale / Mendon town line. Also Amazon has a big box truck parking lot on Howard street? How did this happen? So if all this happens, South Hopedale will be rendered as useless area and show to the rest of the surrounding Towns that you can do what you want in Hopedale .
